

ESISM RULES

1. **Assessment:**

For the **laboratory** exercises it is possible to score up to **30** points (5 pts per one session)

For mid-term exam (Exam1) up to **30** points, the same for final exam (Exam2)

During the exam session you may retake both exams. The best score reckons.

There are also up to **20** points to get for the **tutorials** (solving problems at the whiteboard)

The final result is based on the following pattern:

A 5 91-110 points

B+ 4.5 81-90 points

B 4 71-80 points

C+ 3.5 61-70 points

C 3 51-60 points

D 2 0 -50 points

2. Attendance is checked at tutorials. Permanent absence may influence your final grade.

3. To get points for laboratory exercise you should show up, perform the tasks and deliver the report. Your exercise is finished if it is confirmed by the teacher. Reports should be delivered the next day.

4. In some (rare) cases you may come to the laboratory with the other group. Consent of the teacher is required.
